

IO::write

```
graph LR; A[IO::write] --> B[Data::LayoutData::getTriangles<br/>ClockWise];
```

A diagram showing a call from `IO::write` to `Data::LayoutData::getTriangles` with the parameter `ClockWise`. The `IO::write` box is white with a black border, and the `Data::LayoutData::getTriangles` box is gray with a black border. A blue arrow points from the white box to the gray box.

Data::LayoutData::getTriangles  
ClockWise
